**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports and expects broadband competition. Broadband is a vital aspect of contemporary society.

I was a consumer who had a competitive DSL line for many years and recently switched to a bargain fiber provider. Its been great!

Keep competition up and prices down!

Thank you.
